Bandon School District 54

THE PEOPLE AND THEIR SCHOOL DISTRICT

The Board believes: (a) the public schools belong to the people who created them by consent and who support them by taxation; (b) the schools are only as strong as the support received from an informed public; and (c) the support of the people must be based on knowledge and understanding of the aims and efforts of public schools.

The Board, therefore, reaffirms and declares its design and intent to:

- Keep district citizens regularly and thoroughly informed through communication of school system policies, programs, problems and planning, and to carry out this policy through the efforts of the Board and district staff;
- Invite the advice and counsel of people in the school district, especially at open Board meetings;
- Support citizen advisory committees to consider problems which affect the district.
