School Board Legal Status

The Constitution of the State of Oregon charges the Legislature with providing by statute for a uniform and general system of common schools. The Legislature enacts laws to delegate the immediate control of the schools by locally elected Boards. Thus, the Board is the governing body of the Bandon School District #54.

Federal and state statutes and State Board of Education rules define and outline the general powers and duties of the Board. The Oregon statutes authorize the Board to transact all business within the jurisdiction of the district, control the district schools, and educate the children residing in the district. The Board's duty is to carry out those statutes that are mandatory e.g., "The Board shall...;" where the laws are permissive, e.g., "The Board may...;" the Board is empowered to exercise judgment and discretion.

This school district will be known as the Bandon School District #54.

The regular term of office for Board members will be four (4) years. The terms of office will commence on the first day of July following an election. The term of office for members elected to fill a vacancy will be the time remaining in the vacated Board position. Members will serve until their successors are elected and qualified.
