

Bandon School District 54

Code: FECBA

Adopted: 3/12/90

ENERGY-CONSERVING CONSTRUCTION

The Board recognizes the importance and need for energy conservation in the construction of new school facilities.

Proposed construction and renovation projects that contain the most efficient energy-saving plans within an acceptable budget will have high priority. Energy-saving designs will be documented in the architectural evaluation and will comply with educational specifications and cost control checklists as determined by the Board.

A continuous study of energy problems and energy sources will be maintained for future planning.
