PERSONNEL FILES

The District will not release lists of employees to individuals, agencies or companies who intend to use such lists for commercial purposes.

This policy does not prohibit the release of rosters required or desirable for the effective management of the District. Examples of permitted releases are listed below:

1. Lists of licensed/classified staff required by the Oregon Department of Education and Coos Education Service District;
2. Lists to newspapers or program printers indicating special distinctions.

The intent of this policy is to assure staff privacy rights will not be violated.
