

PROGRAM GOALS

GUIDANCE AND COUNSELING SERVICES

1. The student will be assisted in developing decision-making skills and in learning to accept the increasing responsibility for the consequences of his/her decisions.
2. The student will be assisted in developing a positive attitude toward self through an awareness of his/her developing values, talents and interests.
3. The student will be assisted in developing an awareness of occupational areas in terms of work roles and related life styles.
4. The student will be assisted in developing skills in interpersonal relationships.
5. The student will be developing skills that will ensure that he/she is able to make sound, realistic, and practical post-high school occupational and/or collegiate plans.
