

Bandon School District 54

OPTIONAL INSTRUCTIONAL PROGRAMS

The Bandon School District #54 Board recognizes that the educational goals of the district may be attained through diverse instructional approaches and endorses the development of a variety of optional programs through the cooperative effort of educators, parents and students.

An optional program is defined as a complete educational program for the student which provides a distinctive learning environment as a means of achieving the educational goals of the district. Optional programs may differ from one another in terms of instructional methodology, specific curriculum content, time and place for learning, interpersonal relationships of students and adults; methods of evaluation and relative priorities placed on educational goals. Optional programs may be available to students, teachers and parents by choice.
