

Bandon School District 54

Code: IGBAA

Adopted: 5/13/91

EXTENDED SCHOOL YEAR

It is the intent of Bandon School District #54 to provide education beyond the regular school year if it can be shown that prolonged interruption of a child's Individual Education Plan (IEP) will cause:

- a. A serious obstacle to reasonable achievement; and
- b. A significant loss of skills previously taught; that it will require three months or more of instructional time for the student to relearn his/her previously mastered skills.

The purpose of the extended school year for selected students is to maintain skills in those critical areas delineated in the child's Individual Education Plan (IEP). Focus of instruction will be to prevent skill loss rather than to acquire new skills.
