

Special Education - Individualized Education Program (IEP)

An individualized education program (IEP) shall be developed and implemented for each student with disabilities in the district, kindergarten through 21, including those who are placed in or referred to a private school or facility by the district or receive related services from the district. The district is responsible for initiating and conducting the meetings to develop, review and revise the IEP of a student with disabilities. The district will ensure that one or both parents are present at each meeting or are afforded the opportunity to participate and are given a copy of the IEP. A meeting to develop an IEP shall be held within 30 calendar days of a determination that the student needs special education and related services, once every 365 days thereafter and when considering a change in the IEP or placement.

If a student is to be placed or referred to a private school or facility or attends a private or parochial school, the district will ensure that a representative of the private school or facility attends the IEP meeting.
