

PROMOTION AND RETENTION OF STUDENTS

The Board is dedicated to total and continuous development of each student enrolled. The professional staff is expected to place students at the grade level best suited to them academically, socially and emotionally.

Students will normally progress annually from grade to grade. Exceptions may be made when, in the judgment of the professional staff, such exceptions are in the best educational interest of the students involved. Exceptions will always be made after prior notification and explanation to the student's parents, but the final decision will rest with school authorities, unless the parents have released Bandon School District #54 from risks and liabilities as per Administrative Rule. (See IKE-AR page 2-3).
