

BANDON SCHOOL DISTRICT

Code: **JFCH**

Adopted: 11-13-00

Revised: 8-13-01

Revised/Readopted: 9/13/10

ALCOHOL

Since drug and alcohol use is illegal for students and interferes with both effective learning and the healthy development of students, the district has a fundamental and ethical obligation to prevent drug and alcohol use and maintain a drug-free educational environment.

Consumption, possession or sale of any alcoholic beverage on or about the school premises or at any school-sponsored activity is prohibited.

Violation of this policy will result in suspension or expulsion. Violations occurring at times other than during school hours or school activities may be referred to the proper law enforcement agencies.

District administrators acting on reasonable suspicion may request that students participate in a Breathalyzer screening for alcohol at school or prior to or during a school sponsored event. If a student refuses, he/she may be subject to school discipline and or referral to law enforcement officials.
