

Parental Rights

The Board recognizes the importance of promoting parental input in decision making related to their student's health and general well-being, in determining district and student needs for educational services, in program development and district operations. To assist the district in this effort, and in accordance with the No Child Left Behind Act of 2001 (NCLBA), the district affirms the right of parents, upon request, to inspect:

1. A survey created by a third party before the survey is administered or distributed by the district to a student, including any district survey containing "covered survey items" as defined by the NCLBA;
2. Any instructional material used by the district as part of the educational curriculum for the student;
3. Any instrument used in the collection of personal information from students for the purpose of marketing or for selling that information or otherwise providing that information to others for that purpose.

As provided by law, parents of district students will also, upon request, be permitted to excuse their student from "covered activities" as defined by the NCLBA. The rights provided to parents under this policy, transfer to the student when the student turns 18 years old, or is an emancipated minor under applicable state law.

The superintendent will ensure that activities requiring parental notification are provided as required by law and that reasonable notice of the adoption or continued use of this policy is provided to parents of students enrolled in district schools. The input of parents will be encouraged in the development, adoption and any subsequent revision of this policy.

The superintendent shall develop administrative regulations to implement this policy, including provisions as may be necessary to ensure appropriate notification to parents of their rights under federal law and district procedures to request review of covered materials, excuse a student from participating in covered activities and protect student privacy in the event of administration or distribution of a survey to a student.
