A parent or guardian of a student attending a school in the district, or person who resides in the district, a staff member, or a student, may petition the district with a complaint. A complainant will be referred through the proper administrative process for resolution of the complaint before investigation or action by the Board. An exception will be a complaint against the superintendent or one that involves Board actions or Board operations.

The complaint procedure is available at the district's administrative office and on the home page of the district's website.

The Board advises that there is a process available for resolving complaints, including but not limited to complaints in one or more of the following areas:

1. Instruction;
2. Discipline;
3. Learning materials;
4. Compliance with State Standards;
5. Restraint and/or seclusion;
6. With a staff member; or
7. Retaliation against a student who in good faith reported information that the student believes is evidence of a violation of state or federal law, rules, or regulation.

The complainant must follow the complaint procedure as outlined in administrative regulation KL-AR(1) – Public Complaint Procedure.

The district may offer mediation or another alternative dispute resolution process as an option if all parties to the complaint agree in writing to participate in such mediation or resolution.

Any complaint about school personnel other than the superintendent will be investigated by the administration before consideration and action by the Board. The Board will not hear complaints against employees in a session open to the public unless an employee requests an open session.

Complaints against the principal should be filed with the superintendent. (See KL-AR (1) – Public Complaint Procedure).

Complaints against the superintendent should be referred to the Board chair on behalf of the Board (See KL-AR (1) – Public Complaint Procedure).

Complaints against the Board as a whole or against an individual Board member should be referred to the Board Chair on behalf of the Board (See KL-AR (1) – Public Complaint Procedure).

Complaints against the Board Chair should be referred directly to district counsel on behalf of the Board (See KL-AR (1) – Public Complaint Procedure).

A complainant must file a complaint within the later of either time limit set below, in accordance with state law:

1. Within two years after the alleged violation or unlawful incident occurred or the complainant discovered the alleged violation or unlawful incident. For incidents that are continuing in nature, the time limitation must run from the date of the most recent incident; or
2. Within one year after the affected student has graduated from, moved away from or otherwise left the district.

The superintendent will administer the complaint process, as appropriate.
