

Indoor/Outdoor Full Contact Sports Opt-In Form

Updated 4/22/2021

This form is to be used by a school located in a county designated as High Risk or Extreme Risk to notify of its intent to opt in to offer indoor/outdoor full contact sports for the 2020-21 school year in accordance with the Oregon Health Authority's Sector Guidance – Indoor Recreation and Indoor Fitness Establishments. Once final, post this form to your school or district website and a link to it will then be sent to ODE.

In Lower Risk and Moderate Risk counties, practices and games for indoor/outdoor contact sports can resume following health and safety guidance to be issued by the Oregon Health Authority.

In High Risk and Extreme Risk counties, where COVID-19 remains more widespread, schools and other sports organizations can opt-in to resuming indoor/outdoor full contact sports with additional protocols in place. In such counties, sports organizations must offer on-site responsive testing for symptomatic individuals and close contacts, contact information for contact tracing, and a waiver identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19. Schools in Extreme and High Risk counties must also have at least limited in-person instruction occurring, with the goal of achieving hybrid or full in-person instruction for students this school year. Schools must also be in compliance with state guidance for COVID-19 testing.

Please fill out the following information for your school, district or program:

Information Needed	Your Response
Name of School, District or Program	Bandon School District #54
Key Contact Person for this Plan	Sabrina Belletti- Bandon High School Principal

On-Site Testing for Symptomatic Individuals and Close Contacts

OHA Requirements

- The school must offer on-site responsive testing for symptomatic individuals and those with known exposures to individuals with COVID-19. This applies to athletes and support staff and volunteers. Schools must also be in compliance with state guidance for COVID-19 testing.
- Detail your school's specific plans to meet this requirement.
- Please review [COVID-19 Testing in Oregon's K-12 Schools](#) for additional information.

Plan Details for On-Site Testing for Symptomatic Individuals and Close Contacts

Bandon High School will offer on-site Binax testing for symptomatic individuals and those with known exposures to individuals with COVID-19, this applies to athletes and support staff and volunteers. Coaches should screen athletes prior to traveling to another school. If symptoms develop en route to the contest the player should self-report to the Coach. The Coach will then communicate the development of symptoms and ask the player to consent to testing. Regardless if the player consents to testing, they will not be allowed to participate in the contest if they are exhibiting COVID-19 symptoms.

COVID 19 Testing Procedure for symptomatic individuals and close contacts for **Bandon High School** sporting events:

1. The person will self-report to the Athletic Director, Coach or Administrator. The person hearing the concern will ensure the concern is brought the Bandon School District Athletic Director.
2. The person with symptoms and/or exposure will be give an extra facial covering (mask) to double up on facial coverings. The Athletic Director (and the person receiving the concern) will immediately double up on facial coverings.

3. The person will be walked to the designated testing area following social distancing guidelines.
4. The person will be asked to stay in the designated testing area. The Athletic Director will ask if the person gives consent to be tested. If yes, proceed with the test. If no consent, the athlete, coach, volunteer will not be allowed to participate and/or join in the contest.
5. The AD will then go back to their office and contact the parents (if the person was a student) for an immediate pick up.
6. The person (student or staff) will have to go home no matter if the test is positive or negative.
7. The tester will conduct the test in the designated testing area and not go into the room if possible.
8. Once the test is complete, the AD will present results to the person.
9. The Athletic Director will then report the results of the test on the testing log. The Athletic Director will complete the recording form for the state.
10. If the test is positive, the person will have to be quarantined for 14 days. The tester will begin contact tracing and notify the LPHA.
11. If test is negative, the person will be sent home for the day and reevaluated upon return to school.
12. Once the person has left the designated testing area, the tester will clean and sanitize the area.

Contact Information for Contact Tracing

OHA Requirements

- The school must commit to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each indoor/outdoor contact sports practice and contest.
- Detail your school's specific plans to meet this requirement.
- Sample contact tracing forms:
 - [COVID Monitoring Form: Excel](#)
 - [COVID Monitoring Form: PDF](#)

Plan Details for Contact Information for Contact Tracing

Bandon School District is committed to collecting contact information for the purpose of contact tracing for each participant, coach, official, staff member, spectator, etc. for each indoor contact sports practice and contest.

Bandon will utilize "COVID-19 Participant/Coach Monitoring Form" for participation in practices and contests that is listed above as the "Covid Monitoring Form" in sample contact tracing form category.

Student-Athlete Waiver

OHA Requirements

- The school must have a waiver completed for each student-athlete prior to indoor/outdoor full contact sports participation identifying health and safety risks and a commitment to isolation and quarantine if exposed to COVID-19.
- Waivers must be kept on file at the school. Detail your school's specific plans to meet this requirement.
- [Sample Student Waiver Form](#)

Plan Details for Student-Athlete Waiver

Bandon School District will require a waiver be completed for each student-athlete prior to indoor contact sports participation identifying health and safety risks of participation.

BSD is committed to following isolation and quarantine protocols if students are exposed to COVID-19. Waivers are kept on file at the school in the office.
