Ready Schools, Safe Learners

Board members were provided with a Power Point Presentation which summarized the directives of the Oregon Department of Education's Ready Schools Safe Learners. Questions and answers followed, covering the following:

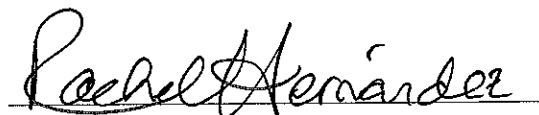

- Free Meals and Supplies for Students
- COVID 19 protocols
- Masking requirements
- Physical distancing
- Handwashing
- 504 plans and IEPs
- Classroom air flow
- Fresh face masks for students daily
- Screening protocols at each building
- COVID testing at school
- Quarantine
- Communication with families
- Volunteers in the classroom
- Potential for Comprehensive Distance Learning if we get shut down again
- What we learned from last year and ways we can improve

Other Discussion:

- ❖ Part time school nurse that is contracted at Ocean Crest: She is paid partially through SIA funding and partly subsidized by Southern Coos Hospital. It is our hope to eventually have a full time school nurse who serves all three schools.
- ❖ Character Strong curriculum: making good citizens in line with the Bandon School District philosophy.
- ❖ Social Emotional Learning: the district is happy to be bringing back music, library, P.E. and assemblies

Adjourn

There being no further business to come before the Board, the meeting was adjourned at 7:31 pm.
