INFORMATION

- 3.01 Hired: Corina Juarez, Bus Driver**
- 3.02 Hired: Kimberly Carrero, BHS Head Cheer Coach**
- 3.03 Hired: Marc Holman, Custodian**

REPORTS /DISCUSSIONS:

Superintendent **Shauna Schmerer**, Administrators **Melissa Radcliffe**, **Jordan Sammons**, **Becky Armistead**, **Courtney Wehner**, Business Manager **Amanda Looney**, Director of Operations **Chris Trevisiol**, Director of Transportation **Jeffrey Rupert** and BHS Student Representative **Kenny McMillen**, provided written reports on what is happening in their respective schools or departments, copies of which are attached and made a part of the minutes. **Melissa Radcliffe** also provided the Board with information about the Expedition Club and its outdoor activities, at the recommendation of our insurer.

In Superintendent Schmerer's report, she discussed Division 22 Assurances and SIA.

- **Division 22:** the district had previously been out of compliance in some areas. Most of these have been properly addressed. We are working towards compliance in our annual lead and asbestos testing, and in getting that information posted on our website.
- **SIA:** SIA has funded the following staff: P.E. teacher at HLMS; nurse at Ocean Crest; one mental health counselor, one academic advisor and five educational assistants. Moving forward, the district will continue to seek input from the public, staff and students about how we should allocate our SIA funds.

ACTION ITEMS

5.01 Bills in the amount of \$352,799.65

Ryan Sherman made a motion to pay bills in the amount of \$352,799.65. Greg Looney seconded, and the motion passed unanimously.

5.02 Least Request – new school bus

Ryan Sherman made a motion to approve the lease request for a new school bus; Stan Avery seconded and the motion passed unanimously.

5.03 Western International Band Clinic Field Trip Request

Band Director Dave Weston gave a short presentation to accompany his field trip request. Stan Avery made a motion to approve the band field trip; Ryan Sherman seconded and the motion passed unanimously.

5.04 First Reading, Policy Sections IAB-A through IGDG

A.J. Kimball made a motion to approve the first reading of Policy Sections IAB-A through IGDG. Ryan Sherman seconded and the motion passed unanimously.

Public Input for items not on the Agenda

The board received three emails from community members concerning naming a facility after past coach Dick Sutherland.

There being no further business for the board, Angela Cardas made a motion to adjourn the session; Greg Looney seconded and it passed unanimously. The meeting adjourned at 7:10 pm.

Division 22:

Each year, districts engage their local School Board in a review of the administrative rules contained in OAR chapter 581, Division 22 (Division 22 Standards). This annual practice is one of the ways we commit to providing a high quality educational experience and equitable opportunities for all students in our care. It provides an opportunity for school districts to demonstrate compliance with rigorous standards, reflect on areas in need of attention and alignment, and plan for how to address them. As part of our shared responsibility to provide quality service for our students and communities, this system promotes reciprocal accountability between school districts and the Oregon Department of Education (ODE).

We were out of compliance in some of the areas for 2021-22 that will be fixed after water re-testing is completed. The HASS Plan was never completed in 2019 as required, nor were testing results for water, lead, etc...

SIA:

We will be encouraging more parent, teacher, and student engagement. In the past we have done this by surveys, but hope to do more contact through phone conversations, sit downs, monthly meetings with community members, family nights, etc...

Drug and Alcohol policies JFCI, JFCH. and AR (of both)

Policies we would like to bring to the board sooner to update. We are trying to enforce a clean and sober environment. We think by updating these policies and adding procedures of mandatory drug/alcohol assessment on returning to school after 2nd offense should be added to protocols along with a few other things that it will help students start the intervention process or access to a needed service. We have a growing need and concern in our school community of students using substances.

Sutherland:

The administration has made the decision when the sign is paid in full (\$3,000) to the Booster Club. The Booster Club is the holder of donations because the District does not and will not pay for the signs. The Sutherland sign will be placed at or by one of the entrances into the football field/track. Remember that the Board's job is only to select the name of the facility after the committee sends recommendations to the superintendent who will share those with the board. According to the policy they field should be named after a person that has given to or impacted the district. This is not just about a person who did their job well, it's much more than that.

Business Manager Report

10/10/22

Included:

- Bond Quarterly Report – Quarter 1 of 22/23 FY.
- Expenditure & Revenue Reports
- Projected Cash Flow report
 - I will be reaching out to ODE to update our ADM to reflect the increase in enrollment compared to what we previously reported as an estimate. This should increase our State School Funding and that will be reflected in our Projected Cash Flow sheet once that is done.

Highlights:

- Auditors were on site on Wednesday, October 5th. I will have an update for you hopefully by the next board meeting, but over-all seems to be going very smoothly.
- We have collected on all of our grants from last year. The summer enrichment grant is a great example of the benefits of planning out our grant spending to the dollar with the collaboration of our Grants Coordinator and our Superintendent and not leaving grant monies unused. For the summer of 2021 – the amount left unused of summer grant funds was \$98,148.05 out of a total of \$167,392.78. The plan for use of those funds would have been laid out in the late spring of 2021. For the summer of 2022, with proper planning beginning around May of 2022 for use of the \$117,305 granted to us, we used all but \$178.91. Great job team!!

HLMS Update:

- Back-to-school season was AMAZING!! Thanks to all the families who showed up to meet their child's teachers and tour our building...I was impressed with the turnout and enthusiasm at the middle school!
- We are excited to be learning more about how to use the data gleaned from our NWEA MAP Growth assessment given to all students K-12 at our professional development day on Friday, October 7. As we continue to move further away from the realities of pandemic schooling, we are still VERY aware of the lasting impact of that interrupted learning and are committed to doing everything we can to restore academic capacity and confidence in our students!
- Fall goal-setting meetings were held with all staff and several themes surfaced throughout those conversations including a focus on math and writing from our certified staff and a focus on enhancing efficacy in the supervision of less structured times (break, lunch) from our classified staff. I will be working with each staff member individually to focus support for each member's area of desired growth.
- The new electives are up and running with positive feedback from students and parents! I will be working with the district office during budget season to prioritize our building funding in such a way that we can ensure this programming continues for our students. We will also be working to secure additional grant funding as appropriate.
- ALICE Training for staff was held on Wed, Sept 21 and we will roll out our student presentations during the month of October. While we hate to think of what may happen on a day none of us wants to imagine, it is important that we are aware of how we can best ensure the safety of our students and teammates in any situation. If you or any of our families have any questions about this, please do not hesitate to reach out to me directly!

Special Education Update:

- New things are coming in the future for our performance and accountability protocols in the special education realm. Bandon was part of a pilot project last spring for the general supervision framework and are slated for "cyclical monitoring" during the 2023-24 school year. We had no areas of concern for focused accountability and support, but were able to have some rich conversation about the way in which we provide support to our students with special education eligibilities. There are three levels of supervision:
 - Universal Accountability and Support: guidance documents, information via website, monthly Director's calls, etc provided for every district;
 - Cyclical Accountability and Support: self-assessments, corrective action and improvement plans, coaching calls, etc provided on a three year rotation;
 - Focused Accountability and Support: may be used to investigate emerging state priorities, may occur for high-risk LEAs (local education agencies), and may be an enforcement action based on lack of correction or improvement.

Board Report- October 2022

October/November Events:

- **10/10-14** Homecoming Week at BHS
 - **10/13** Bonfire after the Volleyball games vs IV
 - **10/14** Dance after the Football Game vs Reedsport
 - **10/22** Gold Rush!- Booster Club Fundraiser
 - **11/11** No School- Veterans' Day
- Homecoming is in full swing this week! Monday is PJ Day, Tuesday is Senior Citizen Day, Wednesday is Country vs Country Club, Thursday is Dress as your hallway and Friday is Tiger Spirit Day. The classes are decorating the halls and we are all sorts of festive at BHS.
 - Umpqua Community College allowed some of our kids to come tour October 3rd. They also went to a College Fair at Roseburg High School. Mr. Holycross is excited about the opportunities to partner with their CTE instructors to find new opportunities for our kids. Thank you to Erin Robertson for heading up the trip!
 - We appreciate our community partners at the Bandon Police Department. We have had great responses from the officers in any situation we have faced.
 - Based on feedback from staff and students, we have adjusted our bell schedule a bit. We have shortened the extra time in first period and added the five minutes to the mid-morning Break. The new schedule is attached.

Dear Principal Radcliffe, Superintendent Schmerer and Bandon School Board Members,

The Bandon High School Expedition Club is off to a great start this year. Students are excited and energized to participate in a wide variety of field trips. We feel that these trips are vitally important for our students, especially the many individuals who do not participate in sports or other OSAA activities but benefit greatly from fun, exciting activities with their classmates and teachers.

We would like to seek approval for trips including Introduction to Surfing, river kayaking/paddleboarding, beginner mountain biking, hiking, backpacking, indoor rock climbing, down hill skiing, cross country skiing, snow shoeing, and river rafting. The club enjoys a small assortment of equipment that it can loan to students but we also occasionally rent equipment, and some students bring their own equipment.

As we have for many, many years all trips will be pre approved by the administration. Extensive preparation is made to insure safety including maintaining first aid equipment, safety lessons and vetting of chaperones. If you have any questions please feel free to contact us.

Thank you for your continued support of this important program.
