

Financial Reports and Statements

Appropriate staff member(s) will be available at any Board meeting, upon the Board's request, to respond to questions and to present current financial information. The superintendent will notify the Board at any time there are substantial deviations from anticipated income or expenditures.

The Board will receive monthly financial reports that include estimates of expenditures for the major general fund accounts in comparison to budget appropriations, actual receipts in comparison to budget estimates, and the district's overall cash condition. Supplementary reports on other funds or accounts will be furnished upon request of the Board or superintendent.

The Board will receive a pre-audit report recapping the year-end closure of financial statements prior to the annual audit by the district's authorized accountant.
