## **Title 1 Program Annual Notice**

Dear Parents and Guardians:

Title 1 is a federal program of the No Child Left Behind Act of 2001 that supports programs in schools and school districts in the areas of literacy and math. All of our schools have Title 1 programs.

As parents of children enrolled in a Title 1 school, you may request information concerning the professional qualifications of your child's teacher(s), including the degrees held, certifications held, and whether the teacher is certified in the area he/she is teaching. Requests for this information may be submitted to the superintendent at the district office.

At this time, all teachers in the Bandon School District are highly qualified, according to the No Child Left Behind criteria. That means they are fully certified and/or licensed by the state; hold at least a bachelor's degree from a four-year institution; and demonstrate competence in each core area in which they teach.

If you have any questions or concerns regarding our Title 1 program, please contact me directly.

Sincerely,

A handwritten signature in cursive script that reads "Doug Ardiana".

Doug Ardiana, Superintendent
